

Weather Safe

How well do you know your weather products and understand the sky itself? Are there some phenomena that still make you question whether it is safe to fly? Come to this seminar to get an insight on weather theory, weather products and the FAA's important PAVE Model. Your Presenter Kathy Ihde will lead the discussion and will answer your questions in this interactive seminar.

IF FLYING IN contact Kathy to make arrangements. While EAA is at the airport there is not ramp access.

Pilot Proficiency Center of the EAA Aviation Museum is located on the East end of the EAA Museum Building. Enter the door labeled "Education Center"
