

Instrument Flight Module II

IFR Modules designed to get YOU back in the clouds, or out of them!

Rusty or not confident in your instrument skills?
Want to regain proficiency?

This second module will reintroduce Navigation principles of VORs, ILS and GPS and guide you through being able to use them confidently in the clouds. You will receive ground school and professional simulator instruction time in our Redbird AATDs.

Check-in 5PM

Attend one or any combination of the 5 modules to sharpen your skills. Make sure to join us for ALL 5 modules to get you Instrument IPC ready!

IF FLYING IN contact Kathy to make arrangements as, while located on the airport, there is not ramp parking at EAA.
