

Air Traffic Control

If you fly into tower controlled airports this workshop is a must!

You will meet the Air Traffic Controllers that work at the Chippewa Valley Regional Airport. Our guest speaker **Derek Smith**, EAU Air Traffic Manager, will talk about local issues and answer any questions that you might have for him regarding operations at the airport.

Jurg Grossenbacher, FAASTeam Program Manager, from the Milwaukee FSDO, will address the pilot deviations that occurred in Wisconsin during the last 12 months. He will discuss procedures and strategies that you can use to stay safe and compliant. We will also introduce the new helpful tools available on faa.gov called "From the Flight Deck."

This seminar will last 1.5 hrs so please plan accordingly.

Please follow signs to Eau Claire Regional Airport, Eau Claire, WI
