

Madison IMC Club

We will start by sharing a video that sets-up our scenario, "Rime or Reason" (Topic: You had a plan. You flew the plan ... to within 15 minutes of your destination. Now it's falling apart, but the resolution could be only a couple hundred feet below you or a few minutes ahead. Or, either choice could be a fool's errand. Will you stick with the plan or go rogue? Analyze the situation and compare your AMD with the video analysis.)

We will be discussing different course of action through input all of the attendees. Through our discussion you will learn that scenarios can be handled differently.

Follow signs to Dane County Regional Airport. Wisconsin Aviation is located at 3606 Corbin Ct. We will meet in the Main Conference Room.

A message from the National FAASTeam Manager
