

## EAA Chapter 18 Monthly VMC / IMC Club Meeting

### IMC Question of the Month: Pattern Confusion video

### VMC Question of the Month: Wrong Altitude video

The EAA VMC and IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency. After watching the video we will discuss the scenarios which are designed to encourage all participants to answer the question "What would you do if this happened to you?"

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Bring your EFB, your experience, and your questions, and be ready to participate.
