

EAA Chapter 431 Monthly VMC Club Meeting

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The scenario(s) we will discuss at this meeting is/are:

The scenario titled "Starved of Attention" was inspired by an actual flight as follows: Our pilot is flying a Cherokee Six on a 100-mile VFR cross country flight. We will discuss the scenario and with your input figure the best course of action. Do you keep up and maintain continuous situational awareness.
