

## Accidents Tell Us What We Need to Do

### **FAA Safety Seminars are not enough for any of us to be Safe Pilots**

Jurg Grossenbacher, Milwaukee Safety Program Manager will give you a clear path that will help you stay on top of your game. We will not only tell you what the FAA WINGS Program is; we will show you how to utilize it to your advantage through a live demonstration on the FAA website. We will discuss three accidents that showed lack of understanding and lack of Proficiency leading to these avoidable events.

Jurg will discuss and answer your questions throughout the seminar

1. Accident Study
2. Lack of Proficiency
3. Lack of Understanding
