

## Pro Tips Its Oshkosh Time

**Are You planning to fly your airplane to Oshkosh, Wisconsin, for Air Venture 2026 then this webinar is for You!**

Last year over 3000 pilots watched these briefings that were sponsored by our team to get a better perspective on the Fisk Arrival so come and join us. Our guest speakers, **Steve Guetter** and **Matthew Olson** once again will brief us on the Arrival Procedures for Air Venture. The goal is for every pilot to study the Arrival Procedures and attend the webinar to get a thorough understanding of the Arrival thus making it a safer, stress free arrival to the worlds largest airshow. Steve Guetter, Certified Flight Instructor, will talk about the human factors issues that accompany long flights to attend and give you a better perspective on what issues creep up for many pilots. Matthew Olson, Duluth Air Traffic Control Manager, and Volunteer at EAA will discuss the **Fisk Arrival Procedures from the perspectives of the Air Traffic Controllers.**
