

Aviation Safety Quiz Night

Learning can be fun and we have the event lined up for you to come and test YOUR Knowledge!

Each month's quiz will be different. Gather your friends, colleagues, fellow Chapter members etc to test your knowledge of topics ranging from safety, regulations, charts, aircraft recognition, current or historical aviation events. Anything aviation goes!

This is an interactive way to promote safety since knowledge is so critical in operating aircraft in a safe manner requiring knowledge and skill.

EAA Pilot Proficiency Center is located on the East end of the EAA Aviation Museum building, Enter through Door 27. Quiz night will be held in the PPC Classroom to the right, behind the reception desk.
