

Madison/Middleton EAA July VMC Club

This is a round table discussion where we will review two topics provided by the EAA. Our first topic will be a question of the month which typically focuses on regulations or aeronautical knowledge. Our second topic will be a video scenario that requires us to think about what we would do in that situation. Join other pilots to share your knowledge and learn from them. VMC Club is open to anyone at any level or interest in aviation.

You will not only hear from other pilot's perspective but also gain from their experience through the discussion making you a safer pilot.

We will be meeting at Morey Airplane Company in the FBO conference room at the Morey Field Airport. If driving in, enter through the main door off the parking lot. If flying in, enter through the main door off the ramp.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
