FAASTeam presents:

EAA VFR Workshop Attention to Detail

Do you understand all the tasks required for an Annual Inspection that your mechanics accomplish? Do you know what you are responsible for? If the answer is: "I am not sure," then this workshop is for you!

How well do you Pre-Flight Your Aircraft? Can you spot potential problems? During this FREE All-Day workshop you will Pre-Flight a Cessna Sky Catcher and we'll see how many issues you can spot. Will some of them cause disaster in the air or just minor annoyances? **Your Presenters will provide 3 hours of seminars, one hour 30 simulator session will certainly help in improving your knowledge and stick skills.**

FPM Jurg Grossenbacher n/a

This workshop will improve your A**ircraft System Knowledge, FAA Regulations and your Piloting Skills**. The simulator period will not only improve your scan but it will provide you with a safe environment that you can practice the handling of an aircraft in a unusual situation and repeat the maneuver to increase your level of confidence.

IMPORTANT: We are limited to 20 pilots so sign and show up! Lunch options available

Please follow signs to the EAA Museum located at 3000 Poberezny Road, Oshkosh, WI. The Pilot Proficiency Center is located at the southwest side of the museum building
