

## Wisconsin Fall Pro Tailwheel Workshop

**I don't know about You but there sure is a lot of activity and growth around the Tailwheel community.** Back by popular demand, this "Tailwheel Workshop is a must if you fly rent or own a Tailwheel" because what you don't know can hurt You!

Start time 10!

Our hosts are Tailwheel Experts and Authors of countless articles for EAA and beyond. **In this 3 hour workshop** Steve Krueger, John Chmiel along with Aircraft Mechanics; Joe Norris will talk about the ins and outs of tailwheel aircraft. We will hold a 2 hour seminar and while the flight instructor are speaking we will have the mechanics with your permission check your aircraft's tailwheel to see if it is properly rigged and in good working order. During last years workshop we found issues in over 60% of the airplanes.
