FPM Jurg Grossenbacher n/a

Why are we so set on making that landing?
Why are we not executing the ALL important
Go Around? What is a Stabilized Approach?

Highlights of the briefing: Answers to these questions:

- It all starts with preflight planning
- What is a Stabilized Approach?
- When should you execute a Go-Around?
- What prevents us from making the decision to go around
- Five hazardous attitudes
- Where do we go from here? Change in Behavior and Training

Laura Herrmann will also give a brief presentation on pilots and medicine
