

Drone Operations for the Novice and Safety Professional

Do You want to learn about Unmanned Aircraft Systems then this seminar is for you!

This seminar is presented by Mr. Peter Menet, FAA Safety Representative, Part 107 Commercial Pilot along with Helicopter EMS Pilot. The session will focus on regulatory matters, flight operations, and drone operations program development. Public safety operators will greatly benefit from this seminar. Peter Menet is a pilot for the Wisconsin-based Flight for Life Program and also operates his own drone company. He consults with a variety of clients and is the drone operations guru! Bring your questions and appetite for a great session!

Peter always welcomes attendees questions so bring your questions with you.

The Lake Country Aviation FBO is located in the large hangar on the main ramp at Lake Country Airport (W11).
