FAASTeam presents:

Owner and Pilot Maintenance Tips and Avoiding Pitfalls

The session will focus on the owner's options on how inspections are conducted and the necessary compliance process. Additionally, there will be a ***Silent Identification Challenge*** for those participants that want to engage in identifying common aircraft parts and how they function.

Finally, bring your concerns and ask the I.A. any questions you need answered. Coffee and donuts are provided! Fly-in or drive-in! All are welcome!

The Lake Country Aviation FBO is located in the large hangar on the main ramp at Lake Country Airport (W11)
