

CFI Special Emphasis Module #4

Flight Instructors and Designated Pilot Examiners need to know the Transportation Security Administration requirements for training U.S. and foreign pilots. Review significant changes in airspace that resulted from the events of September 11, 2001. Be able to guide students through the intricacies of airspace regulations! This event will provide a venue for CFI and DPE interaction on this and other topics of importance.

Directions: Legacy Aviation is located at 7300 Brataas Drive Hangar A.
