

Tower, am I in trouble?

FAA Sponsored, open forum public meeting on runway safety. Larry Cunningham, former Air Traffic Controller, with the Great Lakes Region Runway Safety Office, will discuss navigating an airport. This is an excellent opportunity to review airport operations.

Directions: The MSP - FSDO is located two blocks south of the Crosstown road (HWY 62) on 28th Ave. Park in the back parking lot. Use the entrance on the west side of the building, directly in front of the parking area. The seminar will take place in the South Conference room, on the 2nd floor.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
