

Minnesota FAASTeam presents:

The detailed anatomy of a crash

Event Details

Sat, Sep 15, 2012 - 8:00 am

Inflight Pilot Training

10,000 Flying Cloud Drive

Eden Prairie, MN 55347

Contact: Woody Minar

715-557-0395

woody.minar@centurytel.net

Select #: GL1546130

Representative BENJAMIN PATRICK
MCQUILLAN

Master CFI, DPE, FAASTeam Lead Rep and CFI of the Year Woody Minar will give a presentation on the events and causal factors leading up to the crashes of two aircraft (land and seaplane) by two of his friends. The presentation will include graphics and photos of the crash sites along with the retrievals. You will no doubt be impacted and will leave you wondering how all the occupants survived.

Directions: Park in the Inflight/Modern Avionics parking lot & along the adjacent hangars...we're hard to miss, averaging over 100 cars each week. Inflight's office doors are on the west end of the Modern Avionics building right next to the "D" taxiway. If flying in, ask for a progressive to Inflight & park right out front on our ramp next to the school & other transient airplanes, we'll wave you in.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
