

N/A presents:

Private Pilot Ground School

Finally a ground school series taught by experienced instructor pilots that covers the material you need to pass the written exam, plus the additional knowledge you need to become a safe pilot. Presented in a lively, multi-media, format that will hold your interest.

Directions: The Alpha Zulu Building is the second hangar on the right when entering the airport from the north (Henry Avenue). It is a large, blue, heated hangar facility. Parking in front.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
