

## iPad Proficiency – Highlighting the Foreflight App

The utility of tablets and PDA's in the cockpit is unquestionable. Foreflight for the iPad is a leading application providing pilots with resources proven to enhance safer flight through situational awareness and information for preflight and in-flight decision making. Relaxed, interactive lecture and demonstration open to questions and comments. Open forum follows to encourage sharing of personal experiences and knowledge among attendees. Don't have an iPad or tablet? You're gonna want one!

**Directions:** Enter the 'East side' of MIC at Gate D. Approach from east or west on Bass Lake Road (CR10). Gate D access next to VFW. Proceed on access road to Club Cherokee hangar (72D). More info at [www.clubcherokee.com](http://www.clubcherokee.com)
