

## Critical Decision Making Seminar

Question: Is it possible to make our flying as safe as commercial air travel?

Answer: We believe the answer is YES.

Please Register at

<http://www.regonline.com/builder/site/default.aspx?EventID=1146998>

**Directions:** Carpenter's union Training Center is located near the Rochester Airport. From US 63, take Co HWY 16, (RST Airport Exit), Go East on Wright RD, turn at 10th AVE SW, building is located as the road curves, on the south side. Signature Aviation (the FBO at KRST) has graciously agreed to waive handling fees and offer a \$1/gallon off their Full Service price for registered CDM participants. Shuttle service will offered by the SE MN Flying Club free of charge from Signature Aviation to and from the event site. Contact "Tony Montabon" <174knots@gmail.com> to arrange a ride or just call him when you arrive on his cell phone -> 507-272-7478 <

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
