

# Not your ordinary FIRC. Learn how, not just what, to teach as a professional CFI!

This is 2-Day weekend course for Certificated Flight Instructors who wish to renew their certificates via a Flight Instructor Refresher Course (FIRC). Initial CFI candidates should attend in preparation for the Practical & Oral Examinations.

This course will also provide CFI candidates with the knowledge to pass the FAA Knowledge Test for the Fundamentals of Instruction (FOI). This is a unique, peer learning, FIRC. Catch up on the latest changes in regulations, flight instruction, and aviation safety.

**Directions:** Classes will be held in the South Saint Paul airport arrivals and departures building conference room.
