

Private Pilot Ground School

Finally a ground school series taught by experienced instructor pilots that covers the material you need to pass the written exam, plus the additional knowledge you need to become a safe pilot. Presented in a lively multimedia format that will hold your interest.

Directions: The Alpha Zulu Building is the second hangar on the right when entering the airport from the North (Henry Avenue). It is a large, blue, heated hangar facility. Parking in front. See <http://alphazululic.com/LocationContactUs.html>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
