

Learn How to become a Glider Pilot

Woody Minar (DPE, Master CFI, CFII, MEI, CFI-G), Paul Campobasso (CFI-G), and Tom Binger (CFI-G) will present how to become a Glider Pilot and announce their Private Pilot Glider ground school which starts February 25th. This seminar is for pilots interested in getting a Glider add-on rating and for non-pilots who would like to get started in aviation and a great hobby. You will also learn how gliders and powered aircraft can co-exist safely around airports and in the air.

Directions: Lake Elmo Airport. EAA Chapter.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants.
