

N/A presents:

Private Pilot Ground School

Private Pilot Ground School Course at KFCM. This event has a cost. Contact Trever Rossini at 952-698-3000 or email fly@inflightpilottraining.com for more information.

Directions: Inflight is located on the airport side (on the taxiway) in the MODERN AVIONICS building on Flying Cloud Drive. You can either enter through Modern Avionics' main door, or walk around the building toward the taxiway (there is a sign with an arrow pointing to the gate to walk through), our office is up the row of hangars on your left right around the corner. Parking is available along the airport fence.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
