

Analysis & Causal Factors of Four Local GA Aircraft Accidents

Woody Minar (DPE, Master CFI, CFII, MEI, CFI-G, CFI and FAASTeam Rep of Year) will present his analysis and the causal factors that lead up to the accidents of four local GA aircraft -- and friends of his. You will be amazed as to how all the holes of the "swiss cheese" lined up and how three of them survived their crashes.

Directions: Lake Elmo Airport (21D). EAA Chapter 54 Clubhouse by the Beacon.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
