

N/A presents:

Private Pilot Ground School

The ground school is an interactive training using live instruction, computer-based programs, and videos to get you the most of your Private Ground School.

Training will satisfy both FAA Approved Part 141 ground requirements and Non-approved Part 61 requirements.

After successful completion of the course, students may be eligible for the FAA Private Pilot Written test endorsement.

There is a fee for this course, please contact Laura at Thunderbird Flying Cloud for details at 952-941-1212

Directions: Thunderbird Aviation is located on the north side of Flying Cloud Airport just off HWY 1/Pioneer Trail.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
