

## Plans for Navigation In Case of a GPS Outage

Plans for Navigation In Case of a GPS Outage. The presentation will focus on FAA plans to keep ground-based navigation aids for use in case of a GPS outage and the concept of operations for using those navigation aids.

**Directions:** Once registered, you should expect to receive an email with instructions for joining this webinar. Be sure to check your spam folder or junk mail box if the email does not arrive in your inbox within a day or so.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
