

## North Star Flyers: Practical Flight Planning

You've mastered the E-6B and the flight log. What's left? Plenty! This talk will review the resources available to you as a pilot when planning cross country flights. Please note: Facility limitations restrict attendance at this seminar to members only. Please contact Jack Shelton, FAAS representative, if you would like this seminar presented at another venue.

**Directions:** The meeting will be held at the North Star Flyers "World Headquarters" hangar on the east side.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
