

We are looking forward to seeing you at the St. Paul Downtown Airport!

Exclusive Aviation Flight School is located on the southwest corner of:

[Downtown St. Paul Airport \[Holman Field\]](#)

607 Eaton Street

Hangar #607

St. Paul, MN 55107

Office Number: 651/450-6200

Travel to the end of Eaton Street, past the airport control tower, Signature Flight Service, and other businesses and hangars until the road ahead is blocked by a gate. You will see a banner to the right of the gate with our name (Exclusive Aviation) on it. *There has been road construction on Highway 52 in the area with ramps closing/opening occasionally, but there should be enough signs to help you get into the airport.*

Enter the gate code [159], and take the next left to hangar 607. You can park in the back of the hangar. The door should be unlocked, so give it a pull and come on in. If it is locked, you can ring the small lit doorbell and someone will come and let you in.

I have attached an image showing the location of our hangar on the airport...

If you have any questions, please feel free to contact me via email, or by phone.

Thanks!
