

Anoka County Flying Clubs: Winter Flying

Winter flying in Minnesota is exciting, fun, and rewarding. Airplane performance can be astonishing and the brilliant clear blue skies and white ground make for memorable sights. There are challenges to keep in mind. Join Cheryl Daml as she discusses how to make the most of your cold-weather aeronautical time. Please note:

Facility limitations restrict attendance at this seminar to members of Anoka-based flying clubs only. Please contact Jack Shelton, FAASafety representative, if you would like this seminar presented at another venue.

Directions: The meeting will be held at the North Star Flyers "World Headquarters" hangar on the east side.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
