

Anoka Flying Clubs: Motivated to Fly in Safety and Style

You're done with the checkride. Now what? Motivation can be a problem for all pilots at times. Don't despair - help is on the way! There is more adventure and enjoyment awaiting you than ever before. Join Cheryl Daml in a lively discussion of all the fun things you can do with your new license to learn. Please note: Facility limitations restrict attendance at this seminar to members of Anoka-based flying clubs only.

Please contact Jack Shelton, FAAST representative, if you would like this seminar presented at another venue.

Directions: The meeting will be held in the classroom at Sim Flite Minnesota, in the first floor of the red and white hangar adjacent to RC Avionics at Anoka County Airport.
