

G1000 VFR Transition Ground Training Course

G1000 VFR Transition Ground Training Course for the Civil Air Patrol and is open to everyone. This course will satisfy the CAP's VFR - Part 1 and Part 2 classroom requirements. To complete the G1000 transition requirements, you will also need to complete the two VFR flight scenarios with a G1000 Instructor Pilot. Fee for event

Directions: Lake Superior College's Airport Campus is located on the 1st floor of the Airport Tower building. The Tower building is about 1000 feet east of the FBO (Monaco Air)

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
