

## The Challenge Of Flying Seaplanes

Why do people get a seaplane rating? Where do you get a seaplane rating? Is a written test required? What can I do with a seaplane rating? Is it hard? How long does it take? What is extra during preflight? Are all lakes open? What is the hardest thing about seaplane flying? What is a 'Sweet Spot'? How does one 'Read The Water'? Why is 'Glassy Water' so hard to land on? Why would you 'Sail' in a seaplane? Why are docks 'Bad'? How much does a seaplane rating cost? Why don't we like traditional paper checklists?

**Directions:** This seminar will be located in the Modern Avionics Hanger.
