

# Preparation is Key: Planning a Successful Cross Country Flight

This event is being held in conjunction with the Minnesota Seaplane Pilot Safety Seminar. This Friday evening seminar is free and open to pilots regardless of experience.

Bring whatever technology that you routinely fly with such as your phone, tablet, iPad, or good old-fashioned chart and E6B. Come prepared to participate in activities and challenges which highlight resources available to plan a successful and low-stress cross country flight. Topics include: weather, airport information, fuel planning, and performance charts. Prizes!

**Directions:** From Hwy 371 go west on Hwy 77 (Pine Beach Road), turn right on Pine Beach Peninsula. Madden's Town Hall is located just past the first parking lot on your right.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
