

## The FAR side

A humorous look at the REGs all of us pilots have to abide by. Can you understand the legaleze in the FAR/AIM book? Is it clear to you when you read a regulation? How come a regulation refers to another section of the book which refers to another section of the book? How did they come up with these regulations? Are there reasons?

You might want to bring a seatbelt to this one as you just might fall off your seat from laughing too hard! Don't miss this seminar.

**Directions:** This seminar will be located in the Madden's Town Hall

FROM THE EAST GULL LAKE AIRPORT (9Y2): Contact Madden's Resort for complimentary transportation at (218) 829-2811. NOTICE: The 9Y2 airport will be closed via NOTAM on Friday, May 20th from 1630-1930 CDT. Pilots are encouraged to check NOTAMS prior to arrival or departure.
