

## Revealed here The New ACS Airmen Certification Standard

Professor Lovelace from UND will be talking about the new ACS that will be used for check rides in the near future. There is no one better to talk about the new ACS than a professor that comes from the school that helped develop and work the bugs out of the program. If you are looking at a new rating in the near future, you won't want to miss this one.....CFI's and students alike!What is the new ACS?Why did they change from the PTS?When is it effectiveWhat changes are in it?Will my check ride be easier or tougher?What is the best way to prepare for it?

**Directions:** This seminar will be located in the Modern Avionics Hangar.
