

Aerobatics - How do they DO that stuff at Oshkosh?

Join Patty Wagstaff, six-time member of the U.S. Aerobatic Team, and Dave Hirschman, Senior Editor, AOPA Pilot as they discuss aerobatic flying. They will share some of their own experiences, describe a few aerobatic maneuvers, talk about what's involved in aerobatic training and give tips on how to get started. Several kinds of aerobatic flying will be discussed: from its value to everyday general aviation flying to competitions and airshows.

Directions: This seminar will be located in the Modern Avionics Hangar located behind shop.
