

MN FAASTeam presents:

Commercial UAS Operations under Part 107

With the ink for 14 CFR Part 107 barely dry and temporary Remote Pilot Certificates hot off the press, there is a large amount of confusion and misunderstanding regarding commercial UAS operations. This is the webinar you need to see! Topics presented will include: Brief history of how we got here Myths vs. Facts Remote Pilot Certificate Comprehensive review of Part 107 Waivers and Authorizations Real world scenarios Web-Based information for UAS pilots There will also be ample time for questions and answers following the presentation.

Directions: Please register for Commercial UAS Operations under Part 107 on Sep 28, 2016 6:00 PM CDT at:

<https://attendee.gotowebinar.com/register/5730110722997998596>

After registering, you will receive a confirmation email containing information about joining the webinar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
