

## Understanding Special Use Airspace

The information and discussion will revolve around when to avoid and ways to stay safe in military special use airspace, as well as what goes on in that airspace. We will also discuss ADS-B airspace, Class A, B, C, D, E, G and other restrictive airspace.

**Directions:** The Administration Building is at the base of the rotating beacon.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
