

Who Doesn't Love the Smell of Jet Fuel in the Morning and Tower Talk

We'll receive our bi-annual noise abatement briefing from Jennifer along with some new and different information on the topic.

Representatives from FCM Tower will update us on the latest news from the Tower and describe what it is like to work at some of our special events such as the Ryder Cup and the Air Tour. This seminar will offer one Basic Knowledge Topic 3 credit.

Directions: This seminar will be located in the Modern Avionics Hanger located behind shop. If flying in, ramp is full and you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions.
