

Pilot Deviations - Education vs Enforcement

We will discuss some examples of what happens when a pilot has a deviation and the FAA or CAP offers retraining as an alternative to enforcement action or punishment.

This is a Civil Air Patrol event only.

Directions: The Civil Air Patrol hangar is at the North end of the Lake Elmo Airport (21D). Use Entrance A from Manning Ave., then go all the way to the North end of the airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
