

Annual Minnesota Helicopter Safety Seminar

Join us for our annual Helicopter Safety Seminar! Once again, we have a great lineup of presenters providing information on topics specifically designed for the helicopter operator and pilot. Based on your feedback, we've added more time for a Q&A session with all the presenters. This full day seminar will feature speakers from both industry and government and includes lunch! Show me a pilot that doesn't like a free lunch! We do have limited seating, so please register through FAASafety.gov to ensure your spot!

Directions: Parking will be behind the FSDO. Enter through the main (south) door and proceed upstairs.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
