

Aviation and our Department of Natural Resources

The mission of the Minnesota Department of Natural Resources (DNR) is to work with citizens to conserve and manage the state's natural resources, to provide outdoor recreation opportunities, and to provide for commercial uses of natural resources in a way that creates a sustainable quality of life. Captain Buker will discuss how aviation is used to meet this mission. He will also discuss their SMS (Safety Management System).

Captain Buker has 8 year active duty with the US Army, and 23 years in law enforcement with 13 of those years with the MN DNR.

Directions: This seminar will be located in the Modern Avionics Hangar located behind shop. If flying in, ramp is full and you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions. You may want to consider bringing a chair in case there are none available when you arrive.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
