

## Toward Zero Deaths in Aviation

Building on the success of MnDOT's "Toward Zero Deaths" initiative for vehicles, MnDOT Aeronautics will be bringing the initiative to pilots and aircraft. Learn how you can benefit from lessons learned and incorporating risk management principles from the pros!

**Directions:** This seminar will be located in the Modern Avionics Hanger located behind shop. If flying in, ramp is full and you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions. You may want to consider bringing a chair in case there are none available when you arrive.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
