

Minnesota FAASTeam presents:

MN FAASTeam Representative Annual Training

It's time again for our annual training! Attending this training will fulfill your Safety Representative training requirement per FAA Order 8900.1. We will be reviewing accident/incident statistics and the compliance actions associated with them. Additionally, we will revisit SPANS entries, Basecamp, and have a brainstorming session to come up with ideas on engaging more individuals with FAASafety.gov.

Finally, we will cover the current reorganization efforts of the FAA, called 'Future of Flight Standards' and what that means to you! Pizza and beverages will be served. Please consider bringing a donation to help cover the costs (your wonderful and amazing FAASTeam Program Manager will cover the rest).

Directions: ***LOCATION CHANGE***

Meeting will be held in the terminal building at Fleming Field. Parking will be in the main terminal/FBO parking lot.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
