

Beyond the Basics of ForeFlight

Fred Nauer will take participants through some of the new and interesting features. There will also be time for the audience participation because everyone who uses the system has a favorite feature they want to share.

Directions: Seminar will be held in Thunderbird Aviation's maintenance hangar. Park in the main parking lot and enter through the main doors. Signs will direct you to the hangar.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
