

Baby Its Cold Outside

Doug Evink, President and CEO of Tanis will discuss the are many opinions floating around regarding aviation preheat, but “what are the facts?” Tanis Aircraft Products sets out to clear the air by conducting many temperature mappings and thermal imaging of aircraft engines. Doug will present those findings and help explain the results.

Directions: This seminar will be located in the Modern Avionics Hanger located behind shop. If flying in, ramp is full and you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions. You may want to consider bringing a chair in case there are none available when you arrive.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
