

Avoiding Unwanted FAA Attention

Kevin Morris, FAASTeam Program Manager with the Federal Aviation Administration will discuss the little things that you can do to avoid any unwanted attention in your aviation operations. We will look at some recent pilot deviations as examples of what not to do and what you can expect when you meet your friendly neighborhood FAA Inspector.

Directions: Park in the airline terminal lot. There is an access door to the hangar from the sidewalk.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
