

# LOCATION CHANGE - Ice Belongs in Drinks and Not On Airplanes/FLY IN PANCAKE BREAKFAST

Although its almost thunderstorm season, we can always review icing! We will talk about what causes icing, how it affects our aircraft, and what to do if we encounter ice. We'll view a True Pilot Story on icing, and follow with a discussion on icing and the different ways to handle it.

**Directions:** Seminar will be held in the Arrival/Departure Building

## A message from the National FAASTeam Manager
